WORK EXPERIENCE

MindMap Technologies Pte Ltd

Apr 2026- Present

Human Resource Intern

- Streamlined HR monitoring by building an interactive dashboard to track salary revisions, work order renewals, headcount, attrition, and leave utilisation
- Strengthened cross-department messaging by standardising company-wide communication templates and assets
- Supported end-to-end talent acquisition by shortlisting candidates, conducting preliminary screening calls, and consolidating profiles for hiring manager review
- Maintained accurate employee master data, ensuring data integrity across the group
- Managed work pass applications and renewals, and corporate insurance, ensuring compliance and timely processing
- Handled HR email communications across the organisation, ensuring timely and professional responses to internal and external stakeholders

Keenfinity Pte Ltd

Aug 2025 - Apr 2026

Finance and Operations Intern

- Delivered actionable insights for 10+ senior stakeholders by analyzing consolidated product data across 10 APAC markets into structured PowerPoint decks
- Strengthened regional strategy through data analysis on order intake, sales and risk reporting across 10 APAC markets using Excel models
- Secured accuracy and on-time delivery by executing SAP pricing uploads across 5 product segments
- Supported consistent messaging during a major client portfolio transformation through cross-functional collaboration across teams
- Coordinated end-to-end logistics for a global Sales Kick-Off through cross-functional collaboration across venue, catering, and on-ground teams

Bosch ASEAN

Aug 2024 - Feb 2025

Finance and Operations Intern

- Improved process efficiency by coordinating a pricing automation initiative through cross-functional collaboration with IT and APAC stakeholders
- Managed South Korea sales order deliveries by verifying payments and resolving credit blocks, ensuring timely fulfilment
- Supported new hire onboarding by coordinating system access setup and operational essentials alongside HR

VOLUNTEERING

TWIS Singapore

June 2026 - Present

- Produce written pieces on mental health, emotional wellbeing, and healthy living biweekly.
- Collaborated with designers on a careers campaign, contributing content strategy and copywriting for promotional materials
